What are **SYNCRUDE Mi SUMMER CAMPS?**

Syncrude Mi Summer Camps are camps that take place during summer break at Anzac Recreation Centre presented by CNOOC.

.....

Thanks to the support of Syncrude, Mi Summer Camps will be provided at a discounted price to kids in Wood Buffalo again this summer! Kids of all age groups can choose from multi-activity day camps focused on adventure, expression, excitement and positive learning through creativity and play.

Syncrude Mi Summer Camp activities include interactive games and activities, dance, crafts, water play and more!

Camps are offered between July 6 and August 28. All camps are fully supervised and run by qualified, trained Anzac Recreation Centre presented by CNOOC camp leaders and instructors.

What to know **BEFORE YOU GO**

A guide to happy campers

To help make the first day of camp go as smoothly as possible, we recommend campers arrive 15 minutes early. This will help campers settle in quickly while their parents/guardians fill out the necessary paperwork. Each day thereafter will include a quick sign in process and campers will be on their way!

We strongly encourage all campers to wear suitable clothing and footwear for the camp. Unless it's specified, we encourage campers to dress in active wear clothing, be prepared for outdoor play and ensure to bring indoor footwear. The day is much more fun when you are comfortable!

If your child has disabilities, please contact us directly at communications@rrcwb.ca to discuss how we can accommodate their participation and maximize their experience in our summer camps.

Make sure your email is up to date with our Guest Services team! We will email a camp guide/parent handbook with all the necessary information including what to bring, expectations and the camp schedule. What if you don't receive it? Don't worry! We will ensure to have extra copies on the first day of camp for parents to take home with them.

Any other questions? Please do not hesitate to contact Guest Services today and we will be sure to direct your call to the appropriate Camp Supervisor.

Please review the Syncrude Mi Summer Camps Parent Handbook before registration, and be ready for a summer of **FUN!**

Registration **DETAILS**

June 23 @ 12:00 pm

Registration for all camps opens

Adventure CAMPS

A team of Summer Camp Leaders will plan a unique adventure for full-day campers. Your child will experience a positive approach toward learning new skills and being physically active. We encourage a safe environment, healthy lifestyle, help create long lasting memories and friendships and most importantly encourage all kids to HAVE A LOT OF FUN!

Thanks to the support of SynCrude, Mi Summer Camps will be provided at a discounted price to kids in Wood Buffalo again this summer! Kids of all age groups can choose from multi-activity day camps focused on adventure, expression, excitement and positive learning through creativity and play.
